TCA DESCRIPTION

Themes and goals: The visit will focus on the creative use of ICT in Estonian school education sector. The visit will provide an open forum for networking and sharing of experience, views and aspiration with regard to applications of ICT at all stages and sectors of school education in EU. There will be visits to a range of schools and ICT support establishment.

Expected results: The participants have found new partners from other European schools, have shared best practices and introduced their own ideas, have gained new ideas/methods to put in practice in their own schools, new potential Erasmus+ cooperation projects/ideas have been created.

Additional information:
