TCA DESCRIPTION

Themes and goals: During the 2,5-day training the participants will have the opportunity to dive into different aspects of internationalisation strategies. Through case studies, peer learning and with the help of experts we will work on a common approach that will help the participants to set up and/or strengthen their institutions' policy on internationalisation.Learning outcomes of the training:have an understanding of the value of strategic planning, strategy structures and the issues and processes involvedattain knowledge of what strategic planning and approaches can bring to the field of internationalisation and mobility in VETget a picture of how to link internationalisation and mobility with the development of their institutionbe able to set up the next steps needed in their own institution to go on with their internationalisation strategy and make it alive and work as a shared vision within their institution get acquainted with indicators in order to measure the progress and whether the results achieved are fit to the purposes

Expected results: The participants will have the opportunity to dive into different aspects of internationalisation strategies. We will work on a common approach that will help the participants to set up and/or strengthen their institutions' policy on internationalisation.
