Rationale and background:	The aim of the LTA is to build an international network of like-minded people, projects, ideas and experiences of social entrepreneurship, with a particular focus on Erasmus+ opportunities. The TCP Forum Hungary is an opportunity to discuss future pathways for social entrepreneurship, explore new opportunities and build a cross-sectoral platform for cooperation on innovative projects and initiatives.The upcoming Forum will be a meeting and exchange, encouraging cross-sectoral collaboration and partnership building between Erasmus+ formal and non-formal sectors as well as (social) business on everything related to social entrepreneurship and entrepreneurial learning, with a particular focus on environment and ecology. A novelty of this chapter of the TCP Forum is the introduction of the group coaching method. This session offers you unlimited opportunities to discover the social entrepreneur in you. Professional group coaches will support your real individual development with the help of others on given topics will be appearing on the conference in the moment by you.
