TCA DESCRIPTION

Themes and goals: Primary school (3 -11 years old) emphasizes the acquisition of fundamental knowledge: reading, writing, counting, respecting others. It's the condition of a successful schooling and the key point to educate active and free citizens.The following issues would be presented and debated :- What strategy for the primary schools?- What steering system?- Which means and tools ?- What pedagogy? The participants should be interested in exchanging and developing good practices, methods, materials, tools, pedagogical approaches and/or ways of working in this specific field. Participants would also get information on Erasmus+ opportunities of cooperation. Programme of event: from Monday mid-day to Friday mid-day.The study visit includes:- expert presentations;- study visits to educational sights in the Poitiers area;- joint discussions and workshops;- Erasmus+ information.

Expected results: Sharing experiences, practices and educational policies with other specialists from all over Europe on the topic. Meeting projects, experts and participate actively to workshops in order to enrich practices. Discovering Erasmus + opportunities to go further at European level.

Additional information: This study visit is organized in cooperation with ESENESR / IHEEF Institut des Hautes études de l'éducation et de la formation (National College for Education Management, Higher Education and Research) in Poitiers. This TCA is on budget 2018 and was accepted by the European Commission (topic has changed). The accommodation for 3 nights as well as the meals are covered except for the dinner on Tuesday night.
