TCA DESCRIPTION

Themes and goals:	Title: Thematic seminar on ERASMUS+ small states NAs: building cooperation between European small states NAs to improve the implementation of the ERASMUS+ programme in their country. Subtopics: Programme management and dissemination, sharing best practice ideas, capacitiy building in impact and dissemination, networking and collaboration. The participation of a small state in the ERASMUS+ programme is more clearly questioned in terms of costs and benefits. Thus, the support from policy makers and stakeholders is crucial for the viability of small states NAs. Format: thematic seminar with groupwork and networking activities: This seminar will be co-organized by the participating small states NAs. Goals: - To improve ERASMUS+ programme management; - To share ideas of best practice between NA staff; - To develop strategies supporting collaboration between NAs & policy makers & stakeholders; - To train / learn how to generate, measure and demonstrate the impact of activities in the implementation of the ERASMUS+ programme. - To consolidate and/or develop partnerships between European small states NAs; This thematic seminar is open to NA staff and policy makers / stakeholders collaborating with NAs.
Expected results:	Foster ERASMUS+ programme implementation over small states in Europe.
