TCA DESCRIPTION

Themes and goals: - Strengthen the quality of activities carried out in the projects and increase their added value and impact in the promotion of employability and cooperation with the world of work; - Highlight good practice projects and initiatives on the relevant topic; - Facilitate the exchange of experience at the international level between the beneficiaries working in the same field as well as contribute to the promotion of cross-sectoral cooperation in the future projects; - Facilitate the discussion on the impact of education and training system on the employability and the role of Erasmus+ projects in enhancing skills and competences necessary for the labour market as well as identifying and connecting the needs of current beneficiaries to the future format of the Erasmus+ Program.

Expected results: The participants will: - Get insight from policy makers and social partners on the impact of education and training system on the employability of the learners (future workforce) and what are/could be the mechanisms for its facilitation; -Take active part in sectoral (AE, SE, VET, HE) working groups and cross-sectoral discussions on the labour-market relevance of education, facilitation of learners' employability within the framework of Erasmus+ programme offered opportunities; - get to know good practice-projects and share experience in sectoral groups on the enhancing of the quality and added value of the project activities concerning employability and cooperation with the world of work

Additional information: Profile of participants: Representatives of ongoing projects on the relevant topic, stakeholders, social partners and policy makers who are interested in the related theme and in sharing their expertise, as well as networking that could lead to new projects in the field.
