TCA DESCRIPTION

Themes and goals: • Presentation of the Norwegian education system with focus on the youngest children in education. • Inspire and give new ideas to enhance the work with ICT in kindergartens and schools. • Discussion of the situation of ICT education in the participating countries. • Study-visit to one kindergarten or one primary schools working actively with ICT in education. • Reflection on impact (possible use of Impact+ tool) • How to write a KA229-proposal

Expected results: • Discussions and focus on ICT in kindergartens and primary schools (lowest grades) • Networking and sharing experience • Inspiration for the future work and European projects on the topic • Starting cooperation that will lead to applying for KA229-funding in March 2020 • Our primary goal is that every participant has found a KA229-partner on the subject • Our secondary goal is the at least 20% of the participants intent to send a KA101-application within the 2020-deadline. We will promote job-shadowing among the participants outside their “chosen” partnership

Additional information: Seminar will start at 17:30 on January 14th and will end at 13:30 on January 17th. Lunch will be provided also the last day. NA should be prepared to:1) Cover the event fee in case of no show or withdrawal after the number per country is confirmed (this of course does not apply if there is a possibility to find a suitable replacement in another country). 2) Participating schools should have a PIC-code (Sending NA to help with) 3) Participants should have an active account in eTwinning (Sending NA to help with)Types of participant’s data sending to the organizer: Name, email, organisation, department and function.
