### TCA DESCRIPTION

<b>Themes and goals:</b>	In Erasmus+ programme it is expected that all students participating in the Erasmus+ credit mobility will obtain “automatic recognition”, in line with ECTS rules described in the ECTS User’s Guide 2015. It seems that all HEIs holding the ECHE and actively participating in Erasmus+ credit mobility fully understand this idea and are well prepared to ensure it. However, students in their participants report filled in upon mobility completion too often declared that the study period was not recognised. During the event the participants will try to find out what more urgently needs improvement: HEIs procedures or students understanding of the term “full recognition” and LA requirements.
