TCA DESCRIPTION

Themes and goals: The seminar focuses on methodological aspects in research on education and their implications for Erasmus+ studies conducted by NAs and external researchers cooperating with them. The programme will include four sessions on the following topics: • Principles of research art • Counterfactual research in education • Research limitations • Unsupported conclusions

Expected results: Discussions on methodology in research on Erasmus+ programme; sharing of tools and good practices; networking for future joint research activities of NAs. Special focus on evaluation of public policy and drawing conclusions with regard to international mobility projects within the Erasmus+ Programme.

Additional information:
