TCA DESCRIPTION

Themes and goals: Inclusive education - we will be looking for projects, which are going to solve problems concerning attendance in mainstream education children with the entire spectrum of needs, from disabilities to especially gifted children.A goal of the event is to support participants in professionalization of their knowledge and skills within planning and realization of educational international cooperation projects in areas of:• inner logic of the project;• planning of activities; • dissemination and sustainability of project results.Training will be supported by trainers, which are experts in planning and realizing international projects. Participants will work in teams on the drafts of the projects concerning their interest.As a consequence, we want to increase number of good quality partnerships submitted to Erasmus+ programme.

Expected results: • Participants will broaden their knowledge and skills concerning project planning. • Participants will find partners for projects and will create drafts of the projects.
