TCA DESCRIPTION

Themes and goals: Increasing the quality and diversity of learning activities in projects using non-formal learning methods, creating connections between formal, non-formal education, to develop solutions for the identified needs and challenges through projects and network activities, to create future European partnerships, eligible under Erasmus+ programme, creating online resources available after the event for the applicants in Erasmus+ and for general public.

Expected results: Promoting Erasmus+ as a tool for inclusion, in order to see how the contact with different international organizations might be useful for rural organizations.
