TCA DESCRIPTION

Themes and goals: The main aims of this study visit are to promote joint cooperation between specialists in the field of VET education, to share experiences about projects, practices and educational policies in this area and, to promote an effective exchange of practices with other European VET practitioners.

Expected results: The participants will: • attend debates, share experiences and assist to workshops/teaching activities addressing the topic of the visit; • meet decision-makers at the local and regional level, headteachers & teachers, trainers, • visit VET schools in order to know more about the Romanian VET education and to find out about our practices and challenges in the field; • have the opportunity to connect with the local/regional institutions in order to develop further cooperation activities within the framework of Erasmus+ Programmes.

Additional information: The participants will learn/ discuss: - national/regional/local policies in VET education; - the role and place of ECVET in increasing the attractiveness of VET. - examples of local practices focused on: - enhancing the quality of VET by improving the quality and skills of the human resources; - ensuring the integration of key competencies in the VET curriculum and developing appropriate assessment methods; - the role of Erasmus + mobilities in increasing the attractiveness of VET;
